The working language of
DDD 2018 is English

Dutch Demography Day 2018

The Netherlands Demographic Society (NVD) invites you to join the 11th edition of the Dutch Demography Day.

At this conference the most recent findings in the field of population studies will be presented, including family and fertility, migrants and migration, health, mortality and longevity, population ageing, population growth and decline, and urbanization.

DDD 2018 convenes in the Academy Building of Utrecht University on Domplein, Utrecht.

Call for Abstracts/Proposals

Abstracts from a wide variety of disciplines including sociology, economy, health, history and planning are invited. Abstracts (300 words) can be submitted until **Friday 21 September 2018** at www.nvdemografie.nl.

At **DDD 2018** other formats than sessions, such as workshops, panel discussions and the like are invited. Write us (demografiedag@gmail.com) if you have a proposal (300 words) for a 60-minute time slot.

Authors will be informed early October whether their abstract has been accepted for presentation in one of the parallel sessions or in the poster session. Authors who wish to only present and pitch a poster can indicate this preference when submitting their abstract.

Awards

NIDI-NVD Master Thesis Award 2018

This Award honors the best Master Thesis in Population Studies in the Netherlands. Jointly sponsored by the NVD and the Netherlands Interdisciplinary Demographic Institute (NIDI), the Award carries a certificate and a €500 prize.

Master theses can be submitted until **21 September 2018** at demografiedag@gmail.com. The rules of play can be found at www.nvdemografie.nl

NVD Poster Award 2018

This Award is for the best poster presented at the Dutch Demography Day 2018. The Poster Award is sponsored by the NVD and includes a certificate and a € 100 prize.

Poster authors will have 2 minutes to pitch their work during the Plenary poster session. The rules of play can be found at www.nvdemografie.nl

Population Video Award

A contest is organized by the NVD to raise population awareness and engage high school students in population issues. At the Dutch Demography Day 2018, the three best videos will be awarded and the prize-winning videos will be presented.

High school students are challenged to share their views on key demographic issues (<http://www.nvdemografie.nl/filmpjeswedstrijd>)

Keynote Address

“Something Old, Something New:
Life Courses in Historical Demography
using the Historical Sample of the
Netherlands (HSN).”

Prof. dr. Jan Kok
